REQUEST FOR CORRECTED FILING RECEIPT

Assistant Commissioner for Patents
Application Processing Division
Customer Correction Branch
Washington, D.C. 20231

Dear Sir:

Enclosed is a copy of the filing receipt received for the above referenced patent application on which the requested corrections have been noted. The title was changed in the PTO to include the word "apparatus" and "physicochemical"; unfortunately, both words are misspelled on the filing receipt.

The undersigned requests correction and issuance of a corrected filing receipt. A fee does not accompany this request as the error occurred as a result of a change made in the PTO.

Thank you for your assistance. Do not hesitate to contact the undersigned should you have any questions regarding this request.

Respectfully submitted,

Date: May 12, 1998
